§9-212.1.

The Department may deny an application for a permit for a sanitary landfill system to any nongovernmental person if:

- (1) The owner of the land, the operator, or the applicant has violated:
 - (i) Any law of this State or any other state concerning sanitary landfills; or
 - (ii) Any regulation or permit condition of this State or any other state concerning sanitary landfills; or
- (2) The Department finds that operation of the sanitary landfill system would harm public health or the environment.
